NATIONAL ANTHEM

Arise, O Compatriots
Nigeria's call obey
To serve our fatherland
With love and strength and faith
The labour of our heroes past,
shall never be in vain
To serve with heart and might,
One nation bound in freedom, peace and unity.

Oh God of creation,
Direct our noble cause
Guide thou our leaders right
Help our youth the truth to know
In love and honesty to grow
And living just and true
Great lofty heights attain
To build a nation where peace and justice reign.

NATIONAL PLEDGE

I pledge to Nigeria, my country
To be faithful, loyal and honest
To serve Nigeria with all my strength
To defend her unity and uphold her
honour and glory
So help me, God.

About ACCI

Abuja Chamber of Commerce and Industry is a non-partisan, non-sectarian, member-funded Organisation solely representing the common interests of the business community in the FCT. The Chamber is privately funded by Corporations, Foundations and Members, therefore its energies are directed by the interests of the business community and the general public.

Presently, Abuja Chamber of Commerce and Industry has established association and linkages with business groups, trade associations, international chambers, government agencies, trade offices and foreign embassies, etc. so as to accomplish its goal of enhancing the sustainable growth and development of businesses in the FCT.

ACCI has four departments namely:

The Business, Skills, and Technology (BEST) Centre is dedicated to capacity development of the business community through various training activities. that help businesses and proprietors improve on operation of their businesses.

The Dispute Resolution Centre is established to resolve certain disputes arising from labor, employment, industrial relations, workplace, etc, between parties using the process of mediation and/or conciliation.

The Policy Advocacy Center is saddled with promoting pro-business policies and partnership with public authorities. The center is responsible for organising workshops/Roundtable, seminars, conferences on the ease of doing business.

The Abuja Trade Center promote and support businesses of members , the center also facilitate national, regional and international trade and export , business Matchmaking and Fairs.
